If you are currently handling your own payroll:

- We will waive our initial installation fee.
- We will process your first 3 months of payroll at NO CHARGE.
- At the end of 3 months, our normal processing fees will begin. We will discuss these fees with you before you sign up for our service.
- If you are not happy with our service, simply change back to doing your own payroll. However, we are sure you'll be pleased with us.
